Nighttime Lane Closures of Westbound State Road 836

MIAMI — As part of the State Road (S.R.) 826/S.R. 836 Interchange Reconstruction Project, two westbound lanes on S.R. 836/Dolphin Expressway will be closed from east of NW 72 Avenue to the NW 87 Avenue exit ramp. The lane closures will be in effect, Aug. 26 through Sept. 1 (excluding, Friday, Saturday and Sunday) between the hours 10 p.m. and 5 a.m.

The closures will allow the contractor to shift westbound S.R. 836 traffic towards the median between S.R. 826/Palmetto Expressway and the NW 87 Avenue exit ramp. **Please note that this schedule may change due to bad weather or other unforeseen conditions.**

For more information about the S.R. 826/S.R. 836 Interchange Reconstruction Project, please contact Construction Public Information Specialist Oscar Gonzalez at 786-280-0983 or Project Engineer Francis Chin at 305-388-5450 or go to www.826-836.com.

Drivers are encouraged to call 511 before they drive or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT reminds drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in work zones.
